CON 11 BARRY Road, Madoc, Ontario,
K0K2K0

Not many lots available in the area that offers the convenience of a year round road and the feeling of being away from it all. This beautiful level lot is well treed close to the road and then thins out toward the back overlooking a tranquil beaver pond. RU zoning with no environmentally protected designations allows for a number of building locations on the lot and Queensborough is 1km down the road, home to the Black River and Stash Falls, one of the premier white water kayaking locations in the area. Enjoy a picnic in the park or a swim in the river, or just watch the kayakers traverse the waterfall. The Queensborough Community Centre is a restored old schoolhouse building with small town charm and cared for community residents. The Queensborough Community Centre makes up the social hub of the Hamlet that features; skating parties, family potluck suppers, turkey dinners, pancake breakfasts, treats on the Black River, M.A.C.K Fest, dances, drop-in programs, an annual Triathlon, and much more! It's a beautiful area with quaint shops and the roaring river and just 1km from the location of your new home. (id:50245)
