Create unforgettable memories at this charming Island cottage nestled on the shores of Kawagama Lake! This cozy retreat underwent a thoughtful expansion in 2008, now featuring two additional bedrooms, a bathroom, and a spacious living area adorned with expansive windows that flood the space with natural light and offer picturesque views of the lake. Step outside to discover the delights of outdoor living: indulge in a refreshing shower under the open sky with the convenience of hot water, explore the gentle slope leading down to the bunkhouse and waterfront, and revel in the breathtaking North-West vistas across the lake. Privacy abounds on the generous 152 feet of pristine shoreline, where you'll find a gradual sandy entry into the water or a perfect spot for diving off the dock into approximately 5 feet of clear water. Accessing this idyllic retreat is convenient, with the option to reach the cottage from either of the two marinas located on the lake within a short 10-15 minute boat ride. Don't miss out on the opportunity to own a piece of paradise on this stunning lake! (id:50245)
