Own your own private island with expansive views over southern Georgian Bay. Most of the cottage & bunkie have been renovated & everything has been done beautifully. The large front deck offers a perfect vantage point to take in the sunsets, while the rear deck gives you sheltered area to sit and enjoy the sun on breezier days. If you would rather camp out inside, you'll love the bright sunroom or the large open living room with stone fireplace. Other recent updates include a new bath with walk-in shower and great bunkie with 2 sets of bunks and its own bath complete with shower and laundry. (id:50245)
