2179 PICKEREL & JACK LAKE Road,
Burk's Falls, Ontario, P0A1C0

Welcome to Pickerel Lake, a private beachfront, with luxury in every direction. This newer cottage is pristine on the outside, with stunning features and views, and has been completely refinished inside. Enjoy year-round with the gorgeous interiors and plenty of room with 3 bedroom and 3 baths. 20 minutes from historic downtown Huntsville and in the Burk's Falls region. This lake is famous for its spectacular fishing and boating. In winter, access to snowmobile trails is excellent. Sledders can explore the local trail network or plan day trips to Huntsville or North Bay. The property has simple landscaping lending to lots of areas for play and glides slowly down to the water's edge of the cottages' private beach - intersected only by the exclusive drive that services this and a couple of neighbouring cottages. The view of the lake is outstanding and you'll love the time spent on either the covered lower patio or the upper deck. This truly is a four season paradise with top of the line appliances. Make this haven your perfect destination for all your cozy getaways. (id:50245)
