peace of mind. Mainly hardwood forest but a nice mix of soft wood as well. Plenty of cleared, level space to build or plan a walkout style & take advantage of where the lot begins to slope down. Listen to the sound of a creek running by at the bottom of the ravine behind the lot & enjoy views of hills and cliffs when the leaves are down. 345' of road frontage & excellent privacy with newer fine homes surrounding this property. Yr rnd rd w/ garbage pickup. So much potential here to make this the place you call home. Development charges will apply. Being sold as is as the seller did not build the cabin & has no history on it. Seller has permitted plans for a 3bdrm home w/ walkout lower level they will consider selling to a buyer. Bring your ideas & get enjoying this great lot! (id:50245)
