1 Bedrooms, 1 Bathrooms, 2.47 acres

Single Family

PART OF 9600 HARRIS Lake, Whitestone,  
Ontario, P0A1G0

Explore Harris Lake to South Magnetawan River system where you can revel in off-grid or generator-powered living in a charming cabin nestled within the serene woods. 295ft of waterfront on 2.47 acres. This private retreat is situated in a secluded deep bay offering breathtaking water views. The cabin features an original stone fireplace and walls of windows that flood the space with natural light. Ample storage is available in the outbuildings and a separate bathroom shed. For a truly unique experience venture into the honeymoon suite, bunkie with a screened-in porch that provides full lake views. While you're enjoying this back-to-basics lifestyle you'll stay connected with the internet through Starlink. Don't miss the opportunity to embrace cottage life in this tranquil and excellent fishing water system. If you have a penchant for out-trip camping and canoeing, you'll be pleased to discover that Magnetawan River Provincial Park is nearby offering an added bonus to the area. The Magnetawan River loop, stretching over 80 kilometers of mostly flat water, is perfect for novice canoe trippers, it takes you on a scenic journey that eventually leads back to the starting point – Your cottage.
