This three bedroom 1-1/2 story home and large workshop/garage, on the edge of the Community of Port Loring, is sitting on 5.6 acres of land with two road frontages providing many opportunities. The home has the option of being heated by the outdoor furnace or by a propane furnace. Feed the outdoor furnace from trees harvested on the property. Lots of charm and character in this house including glass knobs. There is plenty of room to plant flower and vegetable gardens; store your toys inside or in the outdoor area. There are many lakes and waterways within close proximity. Ask about the details of owning in an Un-organized Township. (id:50245)
