Just over 10 acres to build your dream home in area of fine homes. Located a short distance from Franklin park public boat launch/beach on Sparrow Lake. This properties zoning (RB-7) allows for a B & B or single family residential home. A second entrance has been added as well as electricity run onto the property, along with much of the proposed build site having been already cleared, giving a substantial savings and head start. Along the back of the cleared area is a small granite ridge. (Note that there is a small environmentally protected area at the back section of the acreage.) (id:50245)
