Great WINTERIZED cottage with seasonal road access. Although current owners use this seasonally, the previous owner turned this Otter Lake cottage into a year-round home, living there for over 20 years. Sitting close to the waters edge the view is all lake from the living window! 2 bedrooms and one large bathroom. Vaulted ceilings in bedrooms and living room. Washer/dryer conveniently tucked away in the closet off of the kitchen. Enjoy the convenience of baseboard heaters or true cottage warmth with the woodstove. Upgraded insulation everywhere - ceiling, walls and floor, year round water system and septic. Dock at waters edge is large enough for patio set up. Swim raft also included. Garage turned into Bunkie with another full bathroom. Bunkie has insulation in the walls and has its own hot water tank. Beautiful SUNSETS! 142' of waterfront over an acre of land and Lake Shore Road Allowance is owned!
