93 RYE Road Unit# 116, South River,
Ontario, P0A1X0

This charming 500 square foot home is located in an all season, off grid, 'Tiny Home' community, near South River. The home is in immaculate condition and sits on a 75 x 150 foot lot. While offering peace and tranquility and the opportunity to enjoy nature at it's best, the property is also easy to get to via year round roads and is close to the Village of South River and Highway 11 for your shopping convenience. The building itself is fully insulated, with foam insulated flooring, a Drolet wood stove and Drolet propane wall heater (presently not hooked up). There is a 2500 watt solar 48 V system with 10 kilowatt of batteries, including a 3500 watt Firman Generator. Includes a full size kitchen, with a brand new fridge and unique propane cooking stove. Also Included is a rain water collection system with pump and a ecotemp hot water heater. (id:50245)
