174 SPRINGSIDE Crescent, The Blue
Mountains, Ontario, L9Y4X5

This stunning luxury home, located just steps from Blue Mountain, has been upgraded with \$400,000 worth of premium finishes. Featuring 6 bedrooms and 4.5 bathrooms, it's perfect for families. The main floor boasts an open concept design with a great room, vaulted ceilings, and large windows that flood the space with natural light. The chef's dream kitchen includes a Wolf 6-burner gas stove, paneled Sub-Zero fridge, and a large waterfall island with seating. Beautiful Quartz countertops adorn the kitchen, all bathrooms, and the wet bar. Imagine waking up in the morning, stepping out onto the loggia with a fireplace, and then walking into your backyard greenspace, which backs onto a golf course. The upper level offers two large primary bedrooms, a spectacular en-suite, and a walk-in closet. Two additional bedrooms with large windows and amazing views of the ski hills complete the upper level. The lower level includes a wet bar, a recreation room perfect for movie nights with the kids, and two additional bedrooms. The home is equipped with a Crestron home automation system, Crestron automated blinds, a Sonos sound system throughout, and central air conditioning for ultimate convenience and comfort. (id:50245)
