Ontario, P0A1Z0

Are you looking for an investment property, a retirement or starter home to live in and make your own? This property could be the ticket. Located just outside the resort village of Sundridge this 1 1/2 story home is walking distance to the lake, parks, schools and downtown facilities including restaurants. Main floor laundry is just one of the great features of this home but the main floor primary bedroom is also a great feature. Add a sliding patio door to this bedroom and have that leading to a deck and you have a great place to relax after a long day at work. Large level lot is a great place for kids to play and there's plenty of room to add structures to this property be it an addition to the house or another detached garage. At the roadside there's already a single car garage that may need some work but it's a great footprint to build from. Complete with a drilled well and septic system this property is a great value for so many. (id:50245)
