Not very often do opportunities like this come around!! Who doesn't want a real life Castle? With a little imagination, this property, that totals just under 2 acres, it has endless possibilities with the Highway Commercial zoning. Could make a fantastic Brewery, Restaurant or an Events Hall? The main level consists of over 4000 sq ft on the main level, and another 4100 sq ft in the lower level, that's OVER 8000 SQ FT!! The lower level features a walk up at the east end of the building for great accessibility. Plenty of private parking out front of the building. Fantastic location with good exposure and plenty of county road travellers. Newly serviced with municipal water (upgraded to 2 inch) and sewer. The business opportunities here are endless!!
