Presenting an extraordinary custom-built residence, completed four years ago and boasting an undeniable 'wow' factor that promises to impress, also offering an impressive 1200 sq ft garage/shop. Representing the epitome of luxury living, this energy-efficient marvel showcases meticulous craftsmanship and attention to detail at every turn. As you step inside, a welcoming foyer adorned with exposed beams sets the tone for the inviting ambiance throughout. The functional layout seamlessly transitions from a bright family room to a cozy sitting area, offering picturesque views through expansive windows. The gourmet kitchen, a true highlight, features quartz countertops, top-of-the-line appliances, and ample cabinetry, catering to culinary enthusiasts. Entertaining is effortless with patio doors leading to a beautifully landscaped yard, perfect for outdoor gatherings. Upstairs, the private primary suite awaits, complete with a luxurious ensuite and walk-in closet. Additional bedrooms on the main level offer flexibility, while the partially finished lower level boasts additional living space, one large bedroom with ensuite, providing ample space for guests or family members. With its blend of elegance, functionality,
