Katrine, Ontario, P0A1L0

A great spot to build your new home. This newly severed 2.6 acre building lot has many good building sites and is big enough to provide really good privacy. Only one other home on the same side of the road. If you're commuting to work to the north or the south, you will love the quick access to the highway and yet within a few minutes, you feel how private of a spot this is. Hard to find both of these offerings. Adjacent lot also for sale. (id:50245)
