Single Family

980 HOWARD Street, Midland, Ontario,
L4R4P7

Ideally located close to schools, parks and shopping, this west-end Midland family home has tons of curb appeal, private fenced backyard with above ground pool and room inside for the whole family! Recently updated, this home is perfect for large families, extended family/guests or those just looking for extra room to spread out! The main floor of this home boasts updated lighting and flooring throughout with a bright large living room, separate dining area, roomy kitchen with new counter tops, 3 bedrooms and a newly renovated bathroom. The basement has been completely redone in the last 2 years including new insulation, plumbing, flooring, windows and a ton of storage, plus there are 3 more bedrooms and a new bathroom! If you don't need the extra bedrooms, how about a home gym, office, room for extended family, maybe a secondary suite or just more storage? The mechanics of this home have also been replaced in the last 2 years including a new furnace, a/c and hot water tank (owned). Whatever your needs, this home is ready and waiting for you to make it your next home! (id:50245)
