7761 MCARTHUR Side Road, Washago,
Ontario, L0K2B0

Welcome 7761 McArthur Side Road, Built in 2019 this beautiful home features 3 large bedrooms and 2.5 bathrooms. Located on just under 2 acres, this is the perfect home for a family looking to move into the quiet country side without sacrificing a large commute into Orillia. One of the standout features of this property is that it is completely off-grid using propane, a drilled well, and the large solar array in the backyard generates enough electricity to support the whole house, with recently installed propane generator supporting it, you never have to worry about expensive utility bills again. Inside you'll find premium fixtures throughout including an expansive kitchen with double oven stove, full-size fridge and freezer and radiant floor heating throughout the living space and master bedroom. Tons of natural light through the sliding patio doors and large windows wrapping around the home makes the space feel warm and bright. The back porch overlooks the large yard and garden with a water tap, as well as leading to the unfinished loft space ready for your finishing touch. With a 3-car garage this property has everything you could ask for in your next home. (id:50245)
