Investment Opportunity, This newly renovated office/retail lease opportunity is located in the Heart of Thornbury / The Blue Mountains. The 4,728 square foot building has highway frontage on the busy Hwy 26, located directly across from a Tim Horton's with turn-in and turn-out in both directions. A beautiful 4-season resort town located on Georgian Bay, the town has a local population comprised of service providers, educators and entrepreneurs combined with a large seasonal influx of summer cottagers, golfers and skiers. Thornbury is growing steadily; however, the town maintains control of development in order to maintain the patina of the area.
