Are you looking for somewhere just to get away from it all ? This tastefully decorated open concept home on 90 acres in a sought after unorganized township may be just what you have been searching for. This raised bungalow includes beautiful views of the pond and surrounding property. It has a full in-law suite with walkout which would be great for aging parents or family and friends that come to visit. A new propane furnace was installed in 2021, but also has an outdoor wood furnace if you prefer. The main floor has a lovely large 26x13'6 sunroom with walkout to a covered deck where you can watch the deer and moose come down to the pond for a drink. There is a two car attached garage with heat and the home is partially wired for a generator which is also included. There are ATV and walking trails throughout the property, and snowmobile trails are nearby as well. Also includes a 10x12 shed. (id:50245)
