Opportunity is knocking! This property has so many possibilities! Over 3 acres of beautiful property with picturesque pond, mature trees, and solitude. Located ten minutes outside of downtown Huntsville, this home has over 3650 sq feet of finished living space, 7 bedrooms, three ground entrances alone, all large principle rooms, 37 x 30 heated garage/workshop. Great for a contractor! This would be an awesome multi-family or multi-generational home, duplex or in-law suite, or possible retirement or group home. Let your creative ideas flow! Presently used as a single family home and home-based business, but could be much more! Formerly zoned institutional, so could possibly be made into several residences. Gorgeous Muskoka stone fireplace is the central feature of the lower level with new kitchen, bathroom and two bedrooms.
